

Ulm / Germany
24 - 29 November 2013

Here are the results from the first mobility evaluation forms:

1. Effectiveness of the project:

- * Thanks to this project awareness of sustainable related issues increase.
- * Thanks to this project people from different countries meet and learn each others" language,lifestyle,education system, religion and they meet in a common language: English.

2. Did the mobility achieve its objects?

- * The pre-planned activities have been done according to plan.
- * The basis of the future cooperation has been created.
- * The visits were chosen according to topic "Only aware can act fair"

3. Did the mobility meet your expectations?

- * Most of the time YES. The visits were related with the topic. The activities were well planned.

a. What do you like most during the mobility?

- the sight-seeing tour, Christmasmarkt
- visit to Brot Museum, Mercedes Museum and Stuttgart
- the relationship between students
- the great hospitality of German teachers and students

b. What do you like least during the mobility?

- visit to Bio-farm

4. How would you recommend improving these mobilities? Which changes would you like to see in the future mobilities?

- * learn more about education system of home country
- * longer project
- * cultural trips, sight-seeings, travelling to near cities
- * rented vehicles so less walking

5. Comments/Suggestions

- * Thank you Mr. Dietrich
- * Thank you IB Comenius Team
